UK passport holders travelling to the EU need to ensure their passport has at least six months validity remaining and is less than 10 years old. This means you may need to renew your passport before it is expired or you will be unable to travel.

Please do note that the 2 ski holidays in March **include lift pass and ski carriage**. Unfortunately there is no way to change carriage for ski hire so I would really recommend hiring from the club.

* Special requests and room-mate preferences will be taken into account where reasonable and practicable. However, on occasion room allocations may need to be changed to ensure the smooth running of the holiday as a whole.

Holiday terms and conditions

Email applications

We will be opening the January holiday at 10am on the 30th of June 2023.

Applications can be submitted at any time, but email applications need to be submitted before noon on the day of our AGM for the March holiday if they are to be included in any draw for places. If we are able to run an “in person” AGM, completed application forms can be submitted on the night (note that blanks will not be available).

Completed application forms must be scanned and sent by email to holidays@edinburghskiclub.org.uk. **Do not send booking forms or cheques to the Clubrooms.**

Alternatively, you can apply by email. See <http://www.edinburghskiclub.org.uk/holidays/book> for details.

How we will communicate with you

Holiday communication will be by email so please make sure your email address on the form is legible and keep the Club up to date with email address changes. Please also add holidays@edinburghskiclub.org.uk to your list of “safe senders” to avoid holiday-related emails being moved automatically to your spam or junk folders.

Alternative flights

Our holidays include flights from Edinburgh Airport, and transfers to and from resort. To book travel from an alternative UK airport, you must submit a request by email to the Organiser *before* booking. In addition:

- the full cost of the holiday must be paid at the time of booking, and no refunds will be given, should you later cancel;
- such flights are subject to availability and you will need to meet any additional costs;
- flights from non-UK airports are not available.
